

The top of the page features decorative watercolor elements. On the left, there are several pink splashes of varying sizes, including a large, faint circular one. On the right, there is a detailed watercolor illustration of a small bird with blue, orange, and white plumage perched on a dark branch. The branch is adorned with small yellow and pink flowers and green leaves. Below the bird, three cork bottle caps are scattered, each with some faint, illegible markings. The background is a plain, light cream color.

Martinin Dan

Sa svojih 29 godina ti si žena, mama,
scenaristica, organizatorica i još puno drugih
važnih titula.

Ja ću te uvijek podsjećati da si nekad i samo
Martina koja treba uzeti vremena za sebe.

Petra i Nermina ćemo spremiti na sigurno,
lijepo se srediti, dobro zabundati i krenuti.

Destinacije su iznenađenje.

Avantura traje otprilike 3 i pol sata.

Točan termin je stvar našeg dogovora, ali ne
možemo dugo čekati!

Nadam se da si spremna!

Ivona
